EXHIBIT B

November 1, 2008

Reduced Rate Long Distance, LLC

Last year, Reduced Rate Long Distance, LLC ("RRLD") and Horizon Telecom, Inc. ("Horizon") entered into an Asset Purchase Agreement, whereby the telecommunications assets (including customers) of Horizon would be purchased by RRLD. At the same time, the companies also entered into a Management Agreement which allowed RRLD to begin managing Horizon's operations while the necessary state regulatory approvals for this transaction were being obtained. As a result, beginning in approximately December 2007, you may have noticed that the long distance charges appearing on your phone bill were billed under the name of the managing company, RRLD. Now that the necessary state regulatory approvals have been obtained, the transaction will be completed and RRLD will become your carrier for long distance services. RRLD anticipates this happening on December 15, 2008.

This change in ownership will not in any way disrupt your current service. **Your rates and the terms and conditions under your existing contract will not change as a result of the transaction.** No charges or fees will be imposed by RRLD as a result of this transaction, and RRLD will be responsible for any long distance carrier change fees that might be charged by your local telephone company in association with this transaction. RRLD will inform you, by separate mailing, of any future post-transaction changes which may occur to rates, terms or conditions.

We realize you have a choice of long distance carriers. You have the right to choose a different carrier for your services. Please note that if you are a customer of Horizon on the date of the transfer and you have not informed Horizon that you have made arrangements to switch to a carrier other than RRLD, your services will automatically be transferred and your account assigned to RRLD. Also, if you have placed a "freeze" to prevent the unauthorized transfer of your services to another carrier, the freeze will be lifted and your services will be transferred to RRLD. You must contact your local telephone company to re-establish freeze protection for your services after the transfer. RRLD will be responsible for any outstanding Horizon customer complaints after the date of transfer. If you have any questions, please call one of RRLD's Customer Service Representatives at (866) 367-7753.

We at RRLD are pleased to welcome you to our team and look forward to being your long distance carrier. We are confident that you will be pleased with the high quality of our service.

Yours faithfully,

Reduced Rate Long Distance, LLC
